"If you are looking for the best information from technical and market-related breakout sessions, the latest equipment on display with live reps in their booths, the chance to network with your industry peers who have the same challenges and opportunities you do, or just to escape the horrible winter weather, you'll want to attend the annual Sprayfoam Show Convention & Expo. The SPFA's annual Sprayfoam Show Convention & Expo is the only organized show that represents your tie to the entire SPF value chain and industry, and its tie to you."
